Please cancel claims 9-16, without prejudice.

REMARKS

REJECTIONS OF CLAIMS UNDER 35 U.S.C. §103] ARE TREATED

Claims 1-16 were rejected under 35 U.S.C. § 103 as being obvious. This rejection should be withdrawn because the examiner has failed to meet the required standards of a prima facie case of obviousness. Such standards are well known and have not been met in this instance.

In view of the foregoing, applicant believes that claims 1-8 are all allowable and the same is respectfully requested. If any impediment to the allowance of these claims remains after entry of this Amendment, and such impediment could be alleviated during a telephone interview, the Examiner is invited to initiate the same. Applicant further acknowledges that the signature on this Response A is incomplete in that it includes only one inventor. Applicant has been unable to enlist the cooperation of

the co-inventor in this Response A and requests a one (1) month extension of time under MPEP §714.01(a).

The Commissioner is hereby authorized to charge any additional fee or to credit any overpayment in connection with this Amendment to Deposit Account No. 50-0836.

DATED this 15<sup>th</sup> day of August, 2007.

Respectfully submitted,
